Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Nearman Water Treatment Plant Emergency Electric Backup Generator in fiscal year 2023. The entity to receive for this project is the Kansas City Board of Public Utilities located at 540 Minnesota Ave., Kansas City, KS, 66104. The funding would be used for the purchase of a new emergency electric generator at BPU's Nearman Water Treatment Plant (NWTP), which would ensure the continuity of water service operations at this primary water treatment facility in the event of electrical service disruptions.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Representative Sharice L. Davids
Member of Congress
