Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the University of Kansas Medical Center's purchase of a Siemens MAGNETOM Prisma MRI scanner in fiscal year 2023. The entity to receive for this project is the University of Kansas Medical Center located at 3901 Rainbow Blvd., Kansas City, KS, 66160. The funding would be used to provide the citizens of my district with the ability to participate in the latest research studies for many years to come and will impact the health of their children and grandchildren. The diverse population represented in KS-03 is vital for studies to prove and validate the next generation of drugs and behavioral therapies.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Representative Sharice L. Davids
Member of Congress
