The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations,  
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the University of Kansas Medical Center's purchase of a Siemens NAEOTOM Alpha CT scanner in fiscal year 2023. The entity to receive for this project is the University of Kansas Medical Center located at 3901 Rainbow Blvd., Kansas City, KS, 66160. The funding would be used for the purchase of a new-generation Computed Tomography (CT) scanner. CT allows researchers to obtain 3-D reconstructions of internal organs, a technology the Medical Center currently lacks.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Representative Sharice L. Davids  
Member of Congress
