Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Basin C16 Sanitary Sewer Rehabilitation improvement project in fiscal year 2025. The entity to receive funding for this project is the City of Olathe, located at 100 E. Santa Fe, Olathe, KS 66061. The funding would be used for open trench replacement of existing sanitary sewer mains and another 175 feet of cured-in-place pipe. It will also include the replacement of approximately 13 manholes and the replacement of portions of approximately 45 sanitary sewer service lines. The project is an appropriate use of taxpayer funds because it replaces sanitary sewer lines that have reached the end of their useful life and are important to the health and safety of Olathe residents.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sharice L. Davids
Member of Congress
