The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Johnson County Pflumm Bridge Replacement in Fiscal Year 2027. The entity to receive funding for this project is Johnson County Government, located at 111 South Cherry St. Olathe, KS 66061. The funding would be used for a project to construct improvements to Pflumm Road Bridge on Pflumm Road 0.8 miles south of 159th Street. This area is developing, traffic is increasing and Heritage Park is a significant traffic generator. This project will replace the Pflumm Road bridge (R.00-6.2) which is 0.8 miles south of 159th Street. The design for this project was begun in 2025. Right-of-way and utility relocations for this project are anticipated in 2026 with construction anticipated in 2027. The project is an appropriate use of taxpayer funds because Heritage Park is in the unincorporated portion of Johnson County, not likely to annex and Overland Park will not be able to develop and collect excise tax on the park. This area is developing, traffic is increasing and Heritage Park is a significant traffic generator.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sharice L. Davids  
Member of Congress
