

Congress of the United States

Washington, DC 20515

November 19, 2025

The Honorable Mike Johnson
Speaker
U.S. House of Representatives
H-232, The Capitol
Washington, D.C. 20515

Dear Speaker Johnson,

We write to you once again about the urgent matter of Affordable Care Act (ACA) premiums and the enhanced premium tax credits (EPTCs) set to expire at the end of this year. For the past 50-plus days, you had kept the House of Representatives out of session while millions of Americans worry over how they'll be able to pay their health care bills in 2026. Up to 24 million ACA enrollees are facing gross premium increases averaging 26 percent and actual monthly cost increases around 114 percent; some constituents have shared with us anticipated premium increases as high as 3,000 percent.

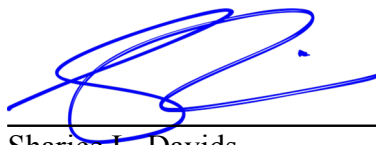

Many of the Americans that will be hit by these exorbitant costs live in congressional districts represented by Republicans. And a majority of members of the House – Democrats and Republicans – have made clear that these expiring EPTCs need to be addressed immediately. Ignoring this issue will be catastrophic to millions and runs counter to President Trump's promise to lower costs for Americans.

In voting to reopen the federal government, Majority Leader John Thune has guaranteed a vote on extending these ACA EPTCs in the Senate. We respectfully demand you hold this same vote here in the House as soon as possible.

Families across this country – on both sides of the political spectrum – are counting on us to do something to mitigate rising health care costs. Inaction here will decimate millions of Americans' budgets and force impossible decisions between receiving necessary care and other basic needs.

Please respond to us immediately with a date on which you will hold a vote on extending the ACA EPTCs. We look forward to working together to ensure Americans are protected from these disastrous cost increases.

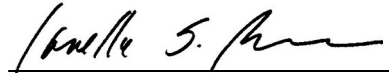

Sincerely,

Sharice L. Davids
